

The Federation of Insurance Women of Texas, Inc. was found in 1944 as Ruth A. Fredde was elected President and presented the founding premise of the Federation. The goals of FIWT are the same now as they were then:

“First, through study and practice, the building and maintaining of greater efficiency. Second, through association and business meetings, the establishing of acquaintance with insurance women. Third, to collectively participate in the civic betterment of the community.”

Group Name: FIWT Federation of Insurance Women of Texas
